

STATE PUBLIC CHARTER SCHOOL COMMISSION

Action from the May 27, 2014 General Business Meeting

Agenda item: II-A-1. Action on Revisions to the State Public Charter School Contract Template

Action:

Moved that the Commission:

- (1) Approve revisions to the State Public Charter School Contract as reflected in Exhibit 1 of this submittal, and approve delegation of authority to the Commission Executive Director to make technical, non-substantive corrections as necessary and to sign and execute Charter Contracts on behalf of the Commission;
- (2) Reiterate its commitment, as reflected in its motion of April 16, 2014, adopted in conjunction with the Academic Performance Framework, to consider future revisions to that Framework as appropriate in response to significant new, systemic developments or in light of experience or input from the charter schools; and

- (3) Direct staff to make future recommendations to the Commission as to the need for other amendments to the State Public Charter School Contract in response to subsequent legal or other systemic developments, or in light of experience or input from the charter schools.

Motion passed.
